

BNI EVENT REGISTRATION INFORMATION

WE WANT TO MAKE SURE WE RESERVE A SEAT FOR YOU!

BNI special events often exceed the seating capacity because of the attendance of invitees who did not respond, and others who heard about this meeting, and decided to attend this special event.

We ask you to do two simple things so we can guarantee a place for you.

1. Call the member who sent the invitation to you.
2. Register online at our Internet site. Registration will only take about 1-minute.

TO REGISTER ONLINE:

1. Go to: <http://www.BNIDVR.Com>
2. From the menu on the left select: "Calendar of Events".
3. Select the correct month for the event. (Use the <<PREV or NEXT>> buttons if necessary.)
4. Click on the event listed for the appropriate date. It will open up a page with detailed information about this event.
5. You can click on the "View Map" link to get instructions for locating the meeting.
6. Click on the "Register Here" link on the bottom left.
7. Enter the appropriate information. Please insure you enter your e-mail address.
8. You're finished. You will get a registration confirmation e-mail that will guarantee a seat for you. You will also get an event reminder the day before the event.

It would be a good idea to arrive at least 10-minutes early to sign-in and have time for some open networking with members and visitors before the meeting is called to order.

Please bring some small bills to expedite paying for the meal. We do not have the ability to accept checks or credit cards for the meal payment at these special events.¹

It would also be a good idea to avoid scheduling anything important immediately following the event. This will give you the flexibility to stay for some additional open networking if you want. (Our meetings are a fast moving, entertaining, and productive 90-minutes.)

There will also be an opportunity to submit an application, before your competitor does, immediately after the meeting. The Membership Committee for our chapter will remain after everyone leaves, to expedite all applications received at this event.

Our members look forward to meeting you at this event!

¹ All BNI members and visitors must purchase the meal. This is how we are able to meet at this facility.
